LSC Design Guidance for the Further Education Sector

Consultation with the Sector

The LSC have committed to delivering Design Guidance for capital projects in the Learning and Skills Sector

To help us to understand the needs of the client body – the Colleges - we are carrying out an initial consultation exercise to establish:

What are the key issues that need to be covered?
Is the proposed structure appropriate and user friendly?

Would you be willing to participate in a consultation meeting?

The following slides give an outline of the structure and content but is no way considered to be complete – simply a taster to stimulate debate. Please click on either yes or no below to send an automatic e mail to agreeing to participate in further consultation.

YES
NO

Please help us to help the sector develop world class buildings for world class skills – and to help Colleges through the challenges of delivering capital projects

LSC Design Guidance

What will it be like?

Design Guidance

- Process
- Design

Consultation

- Who

Newcastle College
Darlington College
Gateway College
York College
Stephenson College
Derby College
Matthew Boulton College
City of Bristol College
Gloscat
Uxbridge College
Liverpool Community College
Mancat

Process

- Vision
- Property Strategy
- Feasibility
- Capital Application Process
- Design Process
- Financial Case
- Construction
- Occupation

The Framework

Consultation

INITIAL CONSULTATION QUESTIONNAIRE

There are 22 questions within this questionnaire. Some of the questions have had a design space for possible use in answering the questions. Please do not feel that you have to fill or restrict yourself to the given space, please use more paper if needed or just the lines that you require to answer the question.

College: _____

Consultation Date: _____

Current/ Last Capital Project: _____

Capital Project Team: _____

Consultant Project Manager: _____

Consultant Project Architect: _____

LSC Regional Property Adviser: _____

Project Content: _____

Programme: _____

Procurement route: _____

Outcomes

- To define the framework
- Identify key issues
- Establish usability issues
- Innovative ideas on technology
- Provide initial case studies

Second phase of consultation

- RPA's
- Forum Conference

Design

The Framework

Being a Client	Design Issues	Design Elements
Leadership	ICT	Heart
Vision	Flexibility	Social Space
Decision making	Disabled Access	Entrance
Experience	Health & Safety	Landscape
Expertise	Acoustics	Flexible Space
Communication	Community Use	Curriculum Specific
Commitment	Fire	Support Space
	Security	Toilets

Design Issues

Content

Community Use

Sustainability

Content

- Environment
- Natural Resources
- Social
- Economic

Design Elements

Content

Heart

Case Studies

Category	Value	Unit
Construction	1000	sq ft
Interior	500	sq ft
Exterior	200	sq ft
Site Work	100	sq ft
Other	50	sq ft

Design Elements

Content

Curriculum Specific

- Hair
- Beauty
- Sport
- Catering
- Construction
- Engineering
- Science
- Child Care
- IT
- Music
- Dance
- Art & Design
- Performance
- S.E.N.
