

# more for less

RIBA HEDQF EVENING SESSIONS

As part of the Higher Education Design Quality Forum's programme of evening sessions, architecture **plb** will host this autumn event, **on Thursday 24 September 2009 from 6pm onwards** at their office in Southwark:

53 Great Suffolk Street, London SE1 0DB  
(easy access to Southwark tube station and Waterloo mainline station)

## Chair:

Ian Caldwell, Estates Director - King's College London

## Guest speakers to include:

Jeremy Wilson of Drivers Jonas and Julian Robinson of London School of Economics

*'Things have changed, a return to normality is not an option, we are facing a new reality. If we are expected to deliver 'more for less' how do we do it?'*

Speakers will offer ideas, examples and observations on the sector:  
design, buildings, lessons learnt and the way forward...

Please join us for a lively discussion with the opportunity of networking.  
Refreshments provided.
