

Zoning

Ensuring

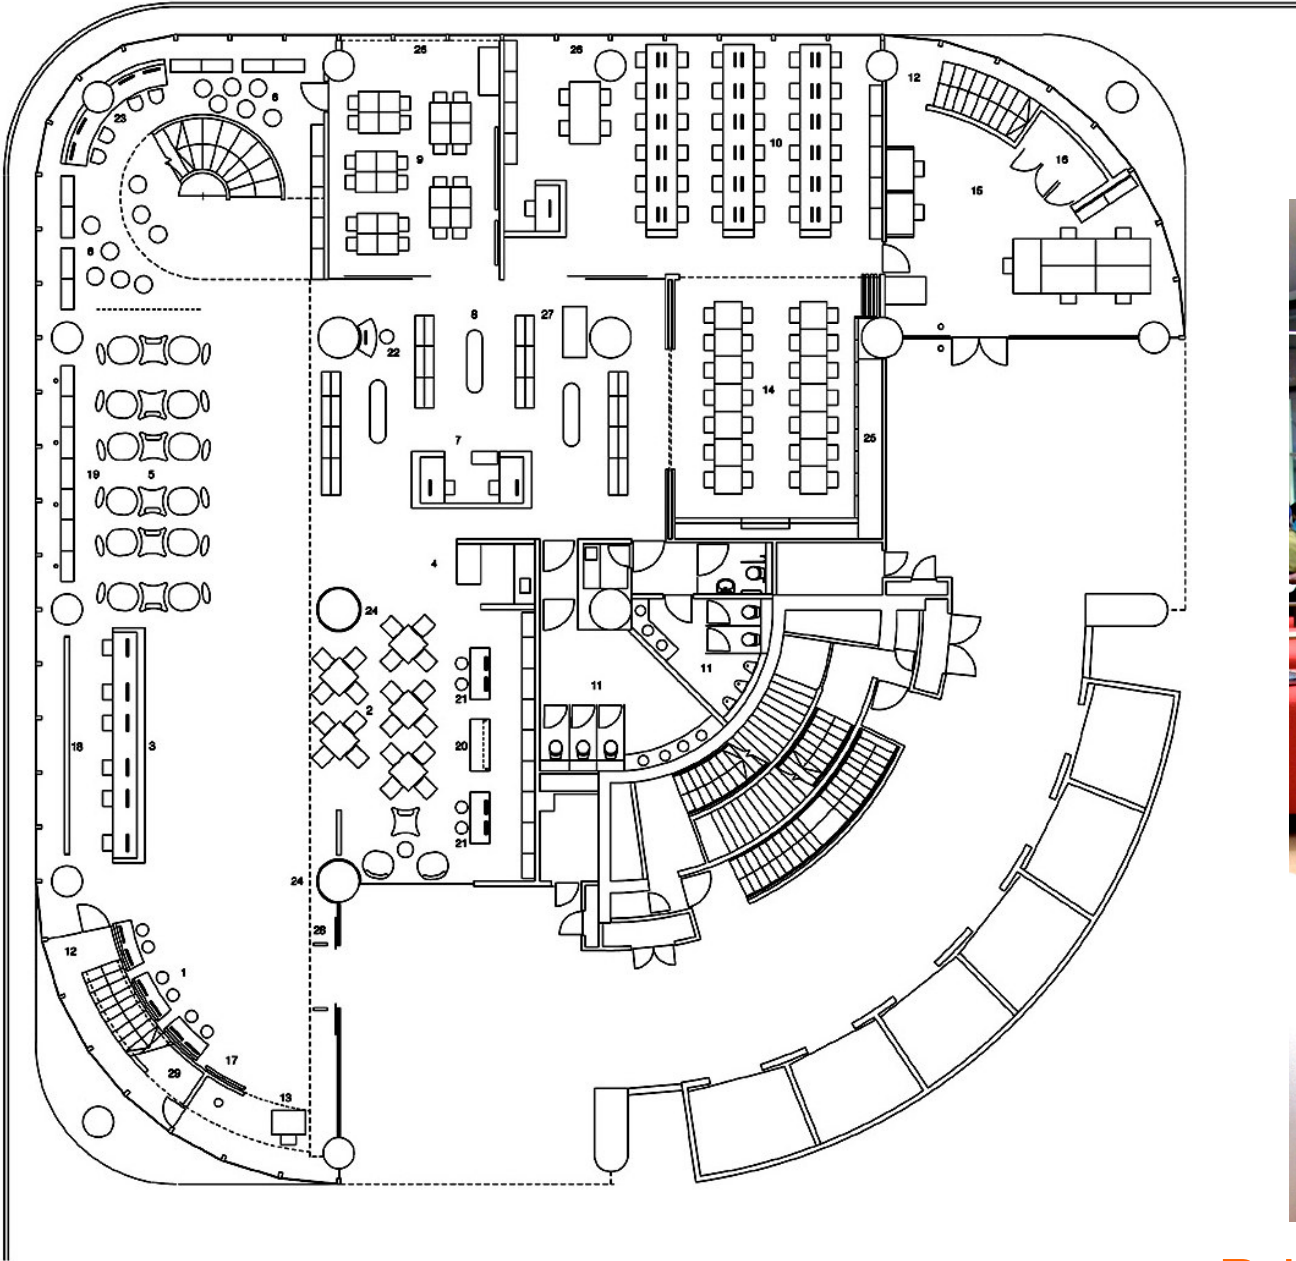

- appropriate conditions for the various British Council activities

Creating environments with the right atmosphere to suit each activity - quiet, calm, lively, buzzing ...

By good **space planning**, using appropriate **finishes and furnishings**, **acoustic control and lighting**

Innovative design solutions

Zoning

British Council Kuala Lumpur

Image

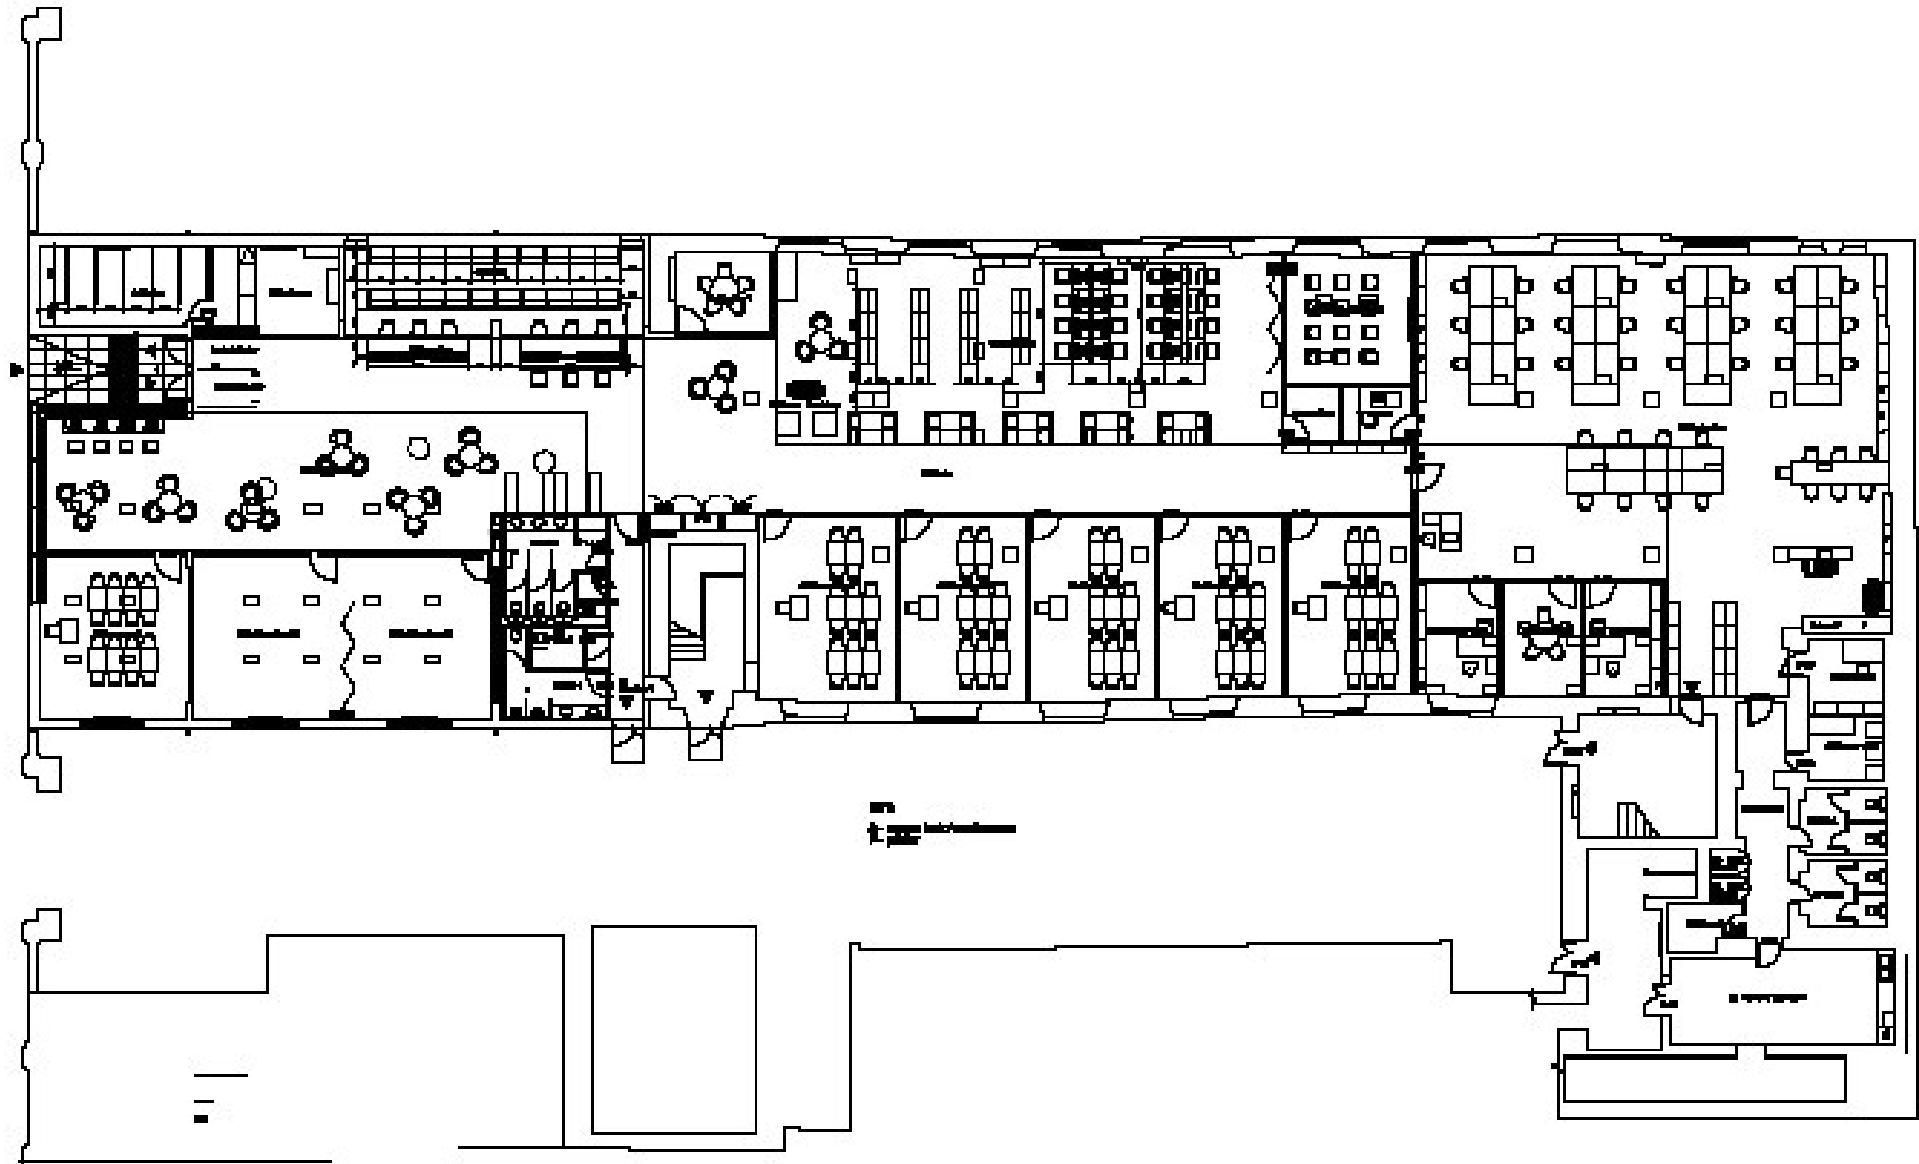

Ensuring

- the buildings make a positive impression and are attractive to our target audiences

Thereby enhancing the British Council brand

By designing the buildings to be **eye catching, welcoming, open, accessible, cutting edge** and so that they represent both **British and local culture**

Innovative design solutions
