## RIBA CPD Providers Network

Free or low cost quality CPD for your business

The RIBA CPD Providers Network helps construction professionals keep up to date. If you are an architect, interior designer, engineer, surveyor, building services engineer, clerk of work or facilities manager, our quality CPD will help you fulfil your CPD obligations – and teach you something new.

Every piece of material has to go through a rigorous assessment process. The result is hundreds of high quality, free or low cost CPD sessions from:

- Construction products, manufacturers and suppliers
- IT companies
- Engineering firms
- Surveyors
- Solicitors
- Trade associations
- Universities
- Publishers
- Training organisations
- Advisory organisations
- Not-for-profit organisations

Over 500 organisations in the Network can offer you something on most subjects and to suit most learning styles. You can choose from:

- Lunchtime seminars, workshops
- Advance degrees, factory tours
- Conferences, online learning, design guides
- Distance learning, reading material

To order your FREE CPD directory email [charlie.murphy@inst.riba.org](mailto:charlie.murphy@inst.riba.org) or go to [www.productselector.co.uk](http://www.productselector.co.uk)

RIBA Wessex provides CPD seminars to satisfy your CPD needs, offer new skills, update on building regulations and enhance your expertise by high quality speakers. For further details see [www.ribawessex.com](http://www.ribawessex.com)

## Want to gain a full day's worth of RIBA CPD?

RIBA CPD Providers Network and RIBA Wessex invite you to a full day's CPD.

This is a unique opportunity for all construction and design professionals to gain up-to-date knowledge and enhance personal proficiency on a wide range of subjects as well as earning CPD points from some of the top companies in their fields.

Each session is one hour, and you can book as many as five sessions throughout the day.

Attendance is **FREE** so to ensure a place for the seminar/s you wish to attend, simply complete and return the booking form.

Places are limited so hurry and book your place!

All sessions are accredited under the RIBA Core Curriculum in Construction Skills, Practice Management, Professional Context, Managing Projects and Health and Safety.

The RIBA CPD Core Curriculum aims to bring clarity and focus to the essential skills you need to maintain competence and enhance your development.

It does not require any additional work on your part and can be integrated into your CPD program over time.

The RIBA CPD Providers Network members are here to help you.
