Data Protection: By signing up to this event you agree to receive further information about the seminars you have booked, a booking confirmation and about further events. Please note: your contact details will be passed on to the companies whose presentations you choose to attend. Your details will also be passed on to our sponsor for a one time contextual use. This helps us to keep the events free. By registering for this event you agree to these conditions.

Want to gain a full day's worth of RIBA CPD?

RIBA CPD Providers Network and RIBA RSUA invite you to a full day's CPD.

This is a unique opportunity for all construction and design professionals to gain up-to-date knowledge and enhance personal proficiency on a wide range of subjects from some of the top companies in their field, as well as earning CPD points.

Each session is one hour, and you can book as many as four sessions throughout the day.

Attendance is **FREE** so to ensure a place for the seminar/s you wish to attend, simply complete and return the booking form.

Places are limited so hurry and book your place!

All sessions are accredited under the RIBA CPD Core Curriculum in Health and Safety, Climate, External Management, Internal Management, Compliance, Building Procurement and Contracts, Designing and Building It, Where We Live, Context and Access For All.
