Data Protection: The RIBA values your right to personal privacy. The information we collect about you is in order to fulfil our statutory obligations and provide you and other people with RIBA services. We aim to comply with Data Protection principles.

The above data will be used to send out confirmation of your booking and details about the seminar/s you have booked on to.

RIBA CPD Providers Network

Free or low cost quality CPD for your business

The RIBA CPD Providers Network helps construction professionals keep up to date. If you are an architect, interior designer, engineer, surveyor, building services engineer, clerk of works or facilities manager, our quality CPD will help you fulfil your CPD obligations and teach you something new.

Every piece of material goes through a rigorous assessment process. The result is over two thousand pieces of high quality, free or low cost CPD material.

Visit www.ribaonlinecpd.com to gauge its value to your organization and see how it can help you achieve your CPD requirements.

Floor Coating Systems

Waterproofing Systems

 - Mechanism of condensation in wall cavities
 - Common building problems - strategies to avoid them in the design phase

Want to gain a full day's worth of RIBA CPD?

RIBA CPD Providers Network and RIBA West Midlands invite you to a full day's CPD.

This is a unique opportunity for all construction and design professionals to gain up-to-date knowledge and enhance personal proficiency on a wide range of subjects as well as earning CPD points from some of the top companies in their fields.

Each session is one hour, and you can book as many as five sessions throughout the day.

Attendance is **FREE** so to ensure a place for the seminar/s you wish to attend, simply complete and return the booking form.

Places are limited so hurry and book your place!

All sessions are accredited under the RIBA Core Curriculum in Construction Skills, Practice Management, Professional Context, Managing Projects and Health and Safety.

The RIBA CPD Core Curriculum aims to bring clarity and focus to the essential skills you need to maintain competence and enhance your development.

It does not require any additional work on your part and can be integrated into your CPD program over time.

The RIBA CPD Providers Network members are here to help you.
