

‘Architects on Architecture’

A Lecture Series for Architects supported by Ibstock Brick Ltd

Diverse Architecture – Wendy de Silva, Chance de Silva Architects

Cargo Fleet by Chance de Silva

Tuesday 21st October 2008 – Northumbria University

After training at the Bartlett, Wendy worked in Sri Lanka for the RIBA gold medallist Geoffrey Bawa. She will show some of the projects she worked on with him, and will also be talking about some of her own; The award winning “Venus House”, "Cargo Fleet" with its references to its Teesside Roots and "Refab House", part of Urban Splash's Tutti Frutti competition in Manchester.

Wendy De Silva is the first speaker for the ‘Architects on Architecture’ lecture series, which is sponsored by Ibstock Brick Ltd and supported by both Newcastle and Northumbria Universities.
