BUILDING TOUR**

**RIBA South & RIBA South Green Group invite you to
a Building Tour of Oxley Park, RIBA South 2008 Award Winner and Winner of
the 2008 Manser Prize
with Paul Thompson and Andy Partridge of Rogers Stirk Harbour & Partners
on 9 June 2009 2-4pm**

The Oxley Woods site in Milton Keynes is just over three hectares in size. The aim was to build high-quality homes to a number of different quality standards including 'Ecohomes' and 'Building for Life'. The site will accommodate 145 properties, providing a mixture of affordable housing and larger private dwellings in two and three-storey houses.

Emphasis is placed on the potential of the design to respond to changes in lifestyles and family sizes of the occupants.

Oxley Woods is the fruit of John Prescott's initiative to promote off-site construction of housing.

The project represents a thorough-going attempt at innovation within the all-too risk-averse conventional housebuilders' market. It achieves well-designed and spacious-seeming housing with excellent daylight. It points to one way forward in achieving high environmental standards in quality housebuilding. The scheme is therefore well deserving of an award for its through-going spirit of innovation and the élan of its design.

A fee of £10.00 + VAT (£1.50) = Total £11.50 will be charged for the tour.
