

Wine and Design

An informal evening about how to achieve excellent design

Wednesday 8 October
5.30-7.30 pm

Talk and tour of Chelsea Football Club Training Academy, Cobham

Come and tour Chelsea's training academy in Cobham, Surrey with its architect, John Hampton of AFL Architects.

Phase One of the development was shortlisted for an RIBA Award this year; and Phase Two is nearing completion. AFL Architects are leading specialists in the design of sports stadia and football training facilities.

This Wine & Design evening follows the usual pattern of architectural talk, tour and networking. Footballers will not be present but you can be sure of a fascinating and memorable evening!

RIBA Core Curriculum:

Professional Context study of architectural design

Cost: £25.00 inc VAT per person. Includes refreshments. Friends, colleagues and partners are welcome

****Very important****

Security is tight at the Training Academy, so

- we must receive your booking by
 - 1 October preferably sooner as places are strictly limited
 - after 1 October you cannot change the name under which you booked your place
 - on the day, you must bring photo ID (passport/driving licence) to the Academy
- OR YOU WILL NOT BE ADMITTED.**
