

FREE Wine & Design with Rick Mather Architects

Wednesday 8 July 2009, 4.00pm
Towner, Eastbourne

James Brittain

Marcus Wright

Towner is the new and exciting art gallery and visual arts venue which is set to be the centrepiece of Eastbourne's new cultural quarter.

Designed by Rick Mather Architects and opened to the public at the beginning of April, Towner was shortlisted for an RIBA Award.

On 8 July you can enjoy a talk about the design process by Towner's curator; and a guided tour by the project architect. There will be time for networking and refreshments afterwards. This Wine & Design event is free of charge if you are an RIBA Member attending the Region's (very short!) AGM at 4,30pm; and just £15.00 – half the usual cost – if you attend the talk/tour only.

Whether you come along to the AGM and/or the talk/tour, you MUST fill in the form below and return it to RIBA South East.
