

Contracts for Clients

Thursday 27 August 2009

Best practice guidance on Building Contracts and Dispute Resolution

This seminar is designed to deal with updates and developments in contracts and contract law - the lawyers speak. The session will include the following topics and be tailored to suit the needs of delegates:-

- JCT 2005
- The JCT Constructing Excellence Contract
- PPC 2000
- Other Partnering Contracts
- Dispute Resolution
- Other Contracts in Summary - a brief summary dealing with the use of specific contracts for specific projects
- Answers to your contract and dispute questions; let your RIBA Regional office know of specific issues you wish to be covered

The seminar covers aspects of the 'Managing Projects' section of the RIBA Core Curriculum. Attending this seminar will raise your general awareness to the issues involved and to gather detailed knowledge for advising clients on appropriate contracts for their projects.

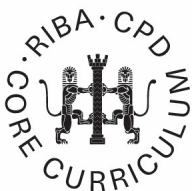

Speaker: Sarah Wilson LLB, ACIARB

Sarah is a Partner in the Construction & Engineering department of Watson Burton LLP and specialises in heavyweight, large value projects. Her clients include developers and main contractors as well as design professionals and sub-contractors. She has experience in a broad range of standard forms of contract as well as numerous dealings with bespoke contract issues. Sarah acts as a Specialist practice Consultant for the RIBA.
