- **Alex Whitbread – Fielden Clegg Bradley Studios**

Alex Whitbread is a partner with FCB Studios, joined the practice's London office in 1998 soon after its foundation. Born and brought up in Leeds Alex studied in Cambridge and Bath, and has previously worked with practices such as Haworth Tompkins, Hopkins Architects and the Smithsons. Alex works on larger scale buildings and city centre masterplanning projects, working closely with Studio 6 – the practice's urban design group. He is currently working on a new residential community in Shoreditch East London and a new student village for the University of Chester. In masterplanning, Alex has been involved in the design of Exchange Greengate Salford / Manchester, Wellington Place Leeds, Baskerville Wharf Birmingham, and Oxford Road Manchester.
