

RIBA Norman Foster Travelling Scholarship 2025 Application Guidance Notes

Background

The RIBA Norman Foster Travelling Scholarship, generously supported by the Norman Foster Foundation, offers one travelling scholarship of £9,000 to a student of architecture to support international research on a topic and at locations of their choice.

The topic of the research should relate to the sustainable survival of our cities and fall under one of the following themes:

- Learning from the past to inform the future
- The future of society
- · Density of settlements
- Use of resources
- · Quality of urban life
- Transport

Travel should take place between July and October 2025.

Upon completion of the travel, and subject to confirmation, the scholar may be invited to give a talk about their research travels at a designated venue chosen by the Norman Foster Foundation.

Eligibility

Eligible applicants must have completed the first year and be enrolled in a professional architecture qualification (RIBA Part 1 or Part 2 or equivalent) at an institution listed in Appendix A. Individuals enrolled in postgraduate academic qualifications such as Masters or PhDs are not eligible to apply for this scholarship.

Applying

Each school may nominate one student per annual cycle. Each application must outline the student's proposed use and anticipated benefits of the scholarship and be accompanied by a letter from the Head of School confirming their chosen nominee.

Application details, including a link to the online application form, are available on the RIBA website at www.architecture.com/fosterscholarship.

Applications must be completed via Good Grants https://riba.grantplatform.com. The deadline for submissions is 1PM BST ON MONDAY 19 MAY 2025.

All information provided in the application form will be treated in the strictest confidence and in line with the RIBA Privacy Policy: www.architecture.com/about/privacy-policy.

Royal Institute of British Architects

66 Portland Place, London, W1B 1AD, UK

Tel: +44 (0)20 7580 5533 Fax: +44 (0)20 7255 1541 info@riba.org www.architecture.com

The RIBA will process all applications and provide digital copies to the judging panel in advance of their meeting.

The RIBA and the Norman Foster Foundation do not claim rights of ownership to the applications submitted for the RIBA Norman Foster Travelling Scholarship. By applying for the scholarship, the nominee(s) agree(s) to allow the RIBA and the Norman Foster Foundation to use, display and publish their entries in print and in digital publications for all purposes in relation to the RIBA Norman Foster Scholarship and associated noncommercial purposes.

Selection

The submissions for the 2025 RIBA Norman Foster Travelling Scholarship will be judged by a panel comprising:

- Lord Foster
- one judge appointed by the Norman Foster Foundation
- one trustee or staff member of the Norman Foster Foundation
- Muyiwa Oki, RIBA President
- one judge appointed by the RIBA President

The judges will seek to award a student who demonstrates the potential for outstanding achievement and original thinking on issues relating to the survival and the future of cities, as evidenced in the poster.

The judges will also take into consideration the student's proposed use of funds and anticipated benefits of the scholarship, as evidenced in the application form.

If two applications are deemed equally deserving, preference will be given to a student from a RIBA-validated school. If neither application is from a validated school, Lord Foster or his designated representative will make the final decision.

The successful applicant will be notified immediately after the judging takes place.
