RSAW Summer School
Portmeirion, 5 July 2019

Aims

For the 2019 RSAW Summer School, marking its 25th year bringing together architects to celebrate the power and pleasures of good design, we explore two fundamental areas of architectural and social engagement – housing and placemaking.

According to Shelter UK Chief Executive Polly Neate, housing has become 'a grotesque social injustice, with the desperate shortage of safe, affordable homes feeding the divisions that threaten to overwhelm our nation. The answer is social housing.' The figures are challenging – the UK needs to build 3.1 million social homes in a 20 year programme. In Wales we are projecting a need of at least 75,000 in the same period.

The Welsh Government's Wellbeing of Future Generations Act, described by the United Nations as "world leading", positions placemaking at its heart, so to help us achieve these ambitious goals, we look to our friends and neighbours beyond Wales to share experiences and learn from their research and practice.

We end the day with our 25-year old tradition of *The Inspiration Hour*, a stimulating and rewarding end to an intensive day!

Participation counts as 5 hours structured CPD + 1 hour informal CPD for RIBA/RSAW members. Core curriculum topics covered: 1, 2, 4, 10

Nodau

Yn Ysgol Haf RSAW 2019, 25 mlynedd er pan ddechreusom wahodd penseiri ynghyd i ddathlu grym a phleser dylunio da, byddwn yn mynd i'r afael â dau faes sylfaenol ym maes ymgysylltu pensaernïol a chymdeithasol – tai a chreu lleoedd.

Yn ôl Prif Weithredwr Shelter UK, Polly Neate, gwelir anghyfiawnder cymdeithasol erchyll ym maes tai ac mae'r prinder difrifol o dai diogel, fforddiadwy yn porthi'r rhaniadau sy'n bygwth llethu'r genedl. Tai cymdeithasol yw'r ateb, meddai. Mae'r ffigurau'n her – mae angen i'r Deyrnas Unedig godi 3.1 miliwn o dai cymdeithasol mewn rhaglen 20 mlynedd. Yng Nghymru, disgwyliwn y bydd angen o leiaf 75,000 yn yr un cyfnod.

Mae creu lleoedd yn cael lle canolog yn Neddf Llesiant Cenedlaethau'r Dyfodol (Cymru) 2015 – a ddisgrifiwyd gan y Cenhedloedd Unedig fel un sy'n "arwain y byd". Felly, er mwyn ein helpu i gyrraedd y nodau uchelgeisiol hyn, edrychwn at ein ffrindiau a'n cymdogion o wledydd eraill i rannu eu profiadau fel y gallwn ddysgu o'u hymchwil a'u gwaith.

Daw'r dydd i ben gyda'n traddodiad 25 oed, *Awr Ysbrydoliaeth*, sydd bob amser yn ein hysgogi ac yn rhoi boddhad i ni ar ddiwedd diwrnod llawn!

Mae cymryd rhan yn cyfrif fel 5 awr o DPP strwythuredig ac 1 awr o DPP anffurfiol ar gyfer aelodau RIBA/RSAW. Pynciau o'r cwriwlwm craidd a drafodir: 1, 2, 4, 10.

"Cherish the past, adorn the present, build for the future"
"Trysori'r gorffennol; harddu'r presennol; adeiladu ar gyfer y dyfodol"

"I can't quite define the effect of Portmeirion; I can only express my own reaction – something between a scoff, a gasp and an ecstasy."
Jan Morris

"It's architecture as entertainment, bright, heterogeneous, full of surprises just like life itself, but much more beautiful, more crazy, and amazingly more harmonious... Madhouse rather than Bauhaus."
Peter Sager

"Allaf i ddim rhoi fy mys ar effaith Portmeirion; yr unig beth y gallaf ei wneud yw mynegi fy ymateb i fy hunan – rhywbeth rhwng wfftio, rhyfeddu a pherlesmeirio."
Jan Morris

"Dyma i chi bensaernïaeth adloniadol – yn lliwgar, yn amrywiol, yn llawn syndod fel bywyd ei hunan, ond yn llawer harddach, mwy gwirion ac, yn rhyfeddol, yn llawer mwy cydgordiol... Madws yn hytrach na Bauhaus."
Peter Sager
