# Welcome to the RSAW Wales Future Practice CPD programme

RSAW CPD sessions are tailored to reflect the Welsh legislative and cultural context to help practices of all sizes working in Wales to develop and thrive. We aim to make CPD interesting and relevant, from focussed small practice updates to national conferences addressing major policy issues. A new feature for 2019 is the inclusion of CPD opportunities offered by partner organisations - these can all be counted towards the ten core topics of your RIBA CPD requirements.

During 2019 our events will cover the RIBA's ten core curriculum topics:
