RIBA North offices

RIBA, the global voice for architecture, has a limited number of desk spaces available in the new RIBA North national architecture centre on Liverpool's waterfront. Fully serviced offices that have it all – a unique networking environment and access to superb facilities including:

- Boardroom and break out meeting rooms
- Event and conference spaces
- IT ready office spaces
- Panoramic views
- Under ground parking
- Kitchen and shower facilities
- Discounted use of Digital City Model

This is a rare opportunity to relocate your office/studio into a high level networking environment and we would be delighted to show you around.

RIBA North is situated in a prime location at the heart of the commercial district within a stone's throw from Liverpool One.

Consequently, the centre benefits from excellent public transport connectivity and a full range of amenities.

RIBA North venue hire

RIBA North, the Royal Institute of British Architect's new national architecture centre on the historic Liverpool Waterfront, is a contemporary and striking environment designed by architect Matt Brook, to inspire creativity and to encourage the exchange of knowledge. The centre offers a number of flexible spaces which take inspiration from the minimal Bauhaus aesthetic. Each space, over two floors in the RIBA award winning building, can be shaped to accommodate a variety of events from exhibitions, product launches, meetings, training, drinks receptions, conferences and dinners.

Capacity ranges from six to 300 people depending upon your requirements. Conference facilities suitable for up to 70 delegates, theatre style.

Catering can be tailored to your needs and our dedicated team will help you plan every step for the whole event.

Use of the City Gallery and Digital Media table can be combined with venue hire, providing a professional and exclusive environment to host clients and investors.

Venue Hire Summary:

- Spectacular location
- Contemporary interior and facilities inspired by Bauhaus minimal aesthetic
- Flexible creative spaces
- RIBA branded pens and note books upon request
- Catering for meetings and conferences provided by in-house services
- Licenced café and shop
- Air conditioning, temperature and humidity controls
- Free Guest Wifi
- Video conferencing facilities
- Technical support
- Curatorial/Exhibition service
- RIBA Liverpool City Tours
- Exhibition guides and talks
- Capacity 6 – 300 people
- Use of City Gallery and Digital Media table.

Digital City Model

At the heart of RIBA North is the City Gallery and Digital City Model. The Digital City Model is an extraordinary professional tool, which can be hired by the construction industry, developers, architects, planners and local authority departments to host client and investor meetings and public consultations, anticipate the impact of future development and encourage the best design approaches.

Over time the Digital City Model could be expanded to include any city in the world but for now it is the ideal place to host client and investor meetings for new schemes in Liverpool and the Wirral as well as showcasing existing projects in the city. Integrating information including, 3D models, CGI animations, elevations and plans for proposed schemes can be utilised to replace existing data, and new schemes can be discussed and promoted within the context of the rest of the city.

Architects and developers can contact RIBA to find out more about how they can utilise the City Gallery and gain access 3D data within the area covered by the model.

The Digital City model is funded by: Liverpool City Council, Wirral Borough Council and Peel Wirral Waters.

Partners include: Digitalurban, place, 401, Hobs and Arup.

RIBA North is a new national architecture centre on the Liverpool Waterfront.

Facilities available:

- Complimentary wifi throughout
- Café – feel at 'HOME' at RIBA North – relax, meet friends and hold informal meetings
- Shop – architecture inspired gifts for children and adults
- Digital City Model

Accessibility:

- RIBA North is accessible to wheelchairs
- There is step free access to the main entrance and step free access to the first floor via a lift located at the rear of ground floor café
- Guide dogs are welcome
- Please contact us if you have any questions about access, or if you have any special requirements, before your visit.

Address:

RIBA North, 21 Mann Island,
Liverpool Waterfront, Liverpool L3 1BP
