Conservation 17

If you are looking to commission work on a heritage building, you will need an architect with specific skills and experience.

Our register of specialists encompasses all aspects of historic building conservation, repair and maintenance.

For more information visit:

[www.architecture.com/findanarchitect/
FindaConservationArchitect](http://www.architecture.com/findanarchitect/FindaConservationArchitect)

by Nation / County

RIBA
Conservation Register

Specialist Conservation Architect (SCA)

Has authoritative knowledge of conservation practice and extensive experience of working with historic buildings.

Conservation Architect (CA)

Has in-depth knowledge and experience of working with historic buildings.

Conservation Registrant (CR)

Has an awareness of the issues involved in working with historic buildings and has attended a conservation course approved by the RIBA.
